Thank you for inviting me to your house, but unfortunately I am going to have to decline. I have already met with you and your husband a few times in person, and my staff has been in constant contact regarding your issues via phone and email, sometimes multiple times a day. We are already working on your issues. My office has paid for extra enforcement stationed at the intersection outside your house, we have gone after websites directly people to illegally hike your way. I personally spent hours in your neighborhood Hollywoodland at the worst peak traffic times over the holidays. My Chief of Staff has been to your house.

I have already told you that I support your request to close dirt Mulholland or remove it from public use. And I have already told you that I DON'T have the power to do so at this time, but I am actively working to pursue that option which requires the city attorney and various departments to assist.

We have many office hours requests that I have not yet been able to schedule and I must meet with some of the residents who have not yet had meetings.

Thanks,

We owe a response to John Strodas who invited him to a community meeting on the 19th. And Heather Hamza bcc me on these.

Please respond from David Ryu acct. and cc Renee.

John,

We looked into it and this meeting is a county required meeting on their alcohol license. I am sending staff but I cannot attend. You and Renee and possibly Sarah should sit down soon to discuss the latest.

Thanks,

David

Then Estevan was drafting something to Heather Hamza We have already met with her a couple of times and Catherine and I have been to her house separately. We are working on her issues but we don't have time on the CM calendar for another meeting right now.
